

REYNIER VILLAGE NEIGHBORHOOD ASSOCIATION

RVNA Newsletter

Your RVNA board members, elected for a two year term, strive to realign with our RVNA by-laws including a forum for the exchange of ideas, and the planning and execution of activities, with the intent to improve and enhance the quality of life, neighborhood identity, and overall civic pride for Reynier Village. Additionally we will continue to strive to maintain a viable residential neighborhood that is clean, safe and an enjoyable place to live.

Town Hall Meeting

On February 23rd, the board members held a Town Hall meeting to determine the direction of RVNA. Topics covered were the past year's events, including:

The summer's most popular events the Ice Cream Social and Evening Social at Reynier Park.

Breakfast social co-sponsored by Undergrind

RVNA's participation in the annual SORO festival

Earthquake and Emergency Preparedness seminars and training sessions

We also received updates from Senior LAPD Lead Officer for Reynier Village, Chris Baker and opened the forum for discussion. However, the main focus was to discover what neighbors really want from their association with regards to neighborhood gatherings, information disbursement, and improvement projects.

We would like to hear from you regarding suggestions of what you would like from the association and its board members. See form below to add your suggestions.

"They aren't the S.W.A.T. team, but for the small price we pay yearly, it is definitely worth it to us - for peace of mind." ~ Joseph
