You can also copy and paste the link into your web browser.

These are the candidates:

Mauro Bordovsky – Co-President

My name is Mauro Bordovsky. I've been a resident of Reynier Village for nearly 27 years. I volunteered to be a Co-President in November 2020, in an effort to help spread the word about our association and to increase membership, and I accomplished both. I am happy to continue to serve as a Co-President to help broaden our visibility in the city, continue to increase membership, encourage more neighbors' participation in social and community activities, neighborhood safety, etc. Thank you.

Hector Garza - Treasurer

I have lived in the village for 22 years and have served on the RVNA Board for the past twelve. Being Treasurer is how I contribute. Since my neighbors are entrusting me with the funds needed to run the association and pay its bills they can expect the utmost in honesty and integrity from me. As Treasurer I will continue to provide clear, concise and accurate financials as a tool for use by the Board.

Matias Baker Masucci – Communications

Driven by results and integrity, my goal is to serve my community by strengthening neighborhood relationships and fostering cooperation. With nearly twenty years of real estate experience throughout Los Angeles, I bring a unique perspective on how some of the most successful communities have been able to overcome challenges and thrive. As a father of four small children and a resident of Reynier Village, I look forward to the opportunity of supporting our association.

Angelica Hess – At-Large Member

Angelica Hess has lived in Reynier Village for about 20 years. She is a teacher and loves helping children. She has two daughters 10 and 12 years old. She helps out in her daughters Latino Parent Organization as well as a Children's Pico Union music program for the community. Angelica is currently the block captain for Halm Avenue and has participated in various RVNA meetings and events for many years and is running as a member at large to help create a stronger neighborhood association with more participation by members of RVNA.

Anabel Aispuro – At-Large Member

Moved to Reynier Village in 2013 and soon after learned about the Neighborhood Association. She joined six months later. She thought this would be a great way to get to meet her neighbors and was also excited to have an opportunity to, in whatever small way, contribute to the community where she lives. Anabel has been on the RVNA Board for the last four years as a Member at Large.

Phoebe Neil – At-Large Member

I have been a resident of Reynier Village for 34 years. I was active in the reformation of RVNA and served as co president for 6 years. We organized security with APS We built a website and sought out block captains. We worked to unite neighbors with Park Nights, Halloween and Easter events at the park. We developed strong relationships with Herb Wesson's office and SoRo and worked with them on various issues. I love our neighborhood and would like to get involved again

Dan Halloran – At-Large Member

Daniel Halloran and his family of five have lived in their home on 25th Street in Reynier Village for over nineteen years. Daniel works as a lawyer for a non-profit Internet coordination organization based in Los Angeles. The Hallorans are long-time members of RVNA, and Daniel served previously as an At-Large RVNA Board member, helping the association with its Internet and social media presence.

Michael Rozales – At-Large

Moved to Reynier Village with his husband Mike Payne in 2005 at which time they became members of RVNA. They live on Reynier Avenue near Beverlywood Street with their 3 dogs. He moved to Los Angeles in 1992 from New York to attend Pepperdine University School of Law where he graduated with a Jurors Doctorate in 1995. He is a licensed California attorney and currently a Broker Associate with Keller Williams in Beverly Hills. Prior to joining Keller Williams in 2015, he had his own real estate brokerage firm, Realty Consultant Group Inc. which he formed in 2005 with his law school classmate, Kim Finestone. He is an 11 year member of BNI International, a business networking organization, in which he has held various leadership positions such as President and Membership Committee member. He has also volunteered for APLA, Gay for Good and Enrich LA, building garden boxes for elementary schools in Los Angeles. Michael is currently the block captain for Reynier Avenue and has participated in various RVNA meetings and events throughout the years.

Peter Iliff – At-Large Member

Peter Iliff loves Reynier Park. He and his wife of 34 yrs, Ruthanne, are homeowners across the street. Friends informally refer to Peter as the Park Commissioner because he works with neighbors such as Kathryn Pellman and Laurie Levine to interface with the City and Hamilton High to keep our park beautiful and safe for all to enjoy.

Peter also wants to help stimulate small business growth along Robertson Blvd and help Reynier Village further create our own special identity.

Peter is a proud member of the WGA and DGA and wants to use his producing skills to get things done for our community. We also want a safer Reynier Village and are blessed to have LAPD Lead Officer Chris Baker on our side, but many homeowners want to investigate hiring a private security firm to further help patrol our neighborhood. We also want cameras in the park to help stop the vandalism and graffiti.

Peter and Ruthanne have two children, love dogs, Pickleball, cycling, and playing his 10 guitars. We need more music!

Edgardo Perez – At-Large Member

Has lived in Reynier Village with his husband for 24 years on David Ave, they have two dogs. He is a Cyber Security Engineer for a local Hospital. Edgardo has been a member of RVNA since 2004 and has served on the board as Communications Director since 2017 in charge of sending emails, posting to social sites (Facebook and Twitter) and posting to Nextdoor on behalf of RVNA.

Membership Renewal

If you have not already done so, please remember to renew your membership to Reynier Village Neighborhood Association which works to build the community by:

organizing free emergency preparedness events,

In a catastrophic emergency all telecommunication, and standard first responder services will be intermittent, we will therefore be forced to rely on ourselves and neighbors for help, this is a way to stay informed and in touch with your neighbors

organizing social gatherings

Log-off of Facebook and get to know your neighbors in person... networking with people can help you personally or professionally working in concert with the City Council office and SORONC to help create positive changes to our area.

providing an affordable security patrol service (for additional fee)

Read the testimonials below, in case you're not convinced
